Subject: FW: Portland Chapter logo - 09JUL03 APPROVED

Alan requested documentation that the Portland Chapter logo was approved by PMI GOC, which was received in July 2003. Please file in our archives. Note that some documentation was to be sent -- but I don't recall receiving it. Perhaps it was sent to the Chapter President at the time. Here is the approval notice. For the records. Thx. Cp

Dear Connie,

Congratulations! The component logo attached meets the new graphic standards and has been approved. It looks great.

***Please advise where you would like the following documents to be mailed to by post mail:

- 1) a letter of approval from PMI Headquarters;
- 2) a certificate of approval with the approved logo on it from the Marketing and Component Affairs Departments;
- 3) and a congratulation certificate for successfully meeting PMI's graphic standards signed by the PMI Chief Executive Officer.

The PMI Portland Chapter may now visually link itself and benefit from the strength of the common global PMI brand and identity.

If I can be of any further assistance, please do not hesitate to contact me.

Thank you and regards,

Kate Miller
